

KNOTTY GREEN CRICKET CLUB 2016

Dear Member,

As the new Chairman of Knotty Green Cricket Club I hope you will be joining/supporting us again this season, as we enter a new chapter in our club's history. The club's membership arrangements are set out below and your social/player membership form is enclosed with this letter.

We will again be posting our fixtures, information and news on our website (knottygreence.co.uk). We have enclosed relevant information and a fixture list with this welcome pack in case you do not have access to the internet.

This year will be both exciting and significant because both Senior Teams are joining a new league, the Chiltern Cricket League. Leaving the Mid Bucks League, with whom we had played for many years, was not a decision taken lightly. However, we had one or two unfortunate confrontations during matches last year, not our fault, and we felt it time to move on and make a fresh start. Many of the teams in the Chiltern League are familiar to us through Sunday matches, and on balance we believe the standard of cricket and facilities we will enjoy in the new league will be enhanced. Last year was a disappointing one for our First Team, but this year under the new leadership of Nick Patel, I am confident that things will improve. Our Second Team, which will continue to be led by Jack Patel, generally performed well but suffered in the second half of the season from losing players to the first team, when in contention for promotion. This year, we already have some fine new recruits, but we still need more!

We have a new Captain for our Sunday friendly matches in James Crowther, who I know will embrace the task with great enthusiasm.

The Team Secretary this year will again be Mike Widdowson (07872 966877). All match information will be sent out by the Teamer application. (We are hoping to launch a new KGCC Website pre season, which may replace/include Teamer, but I will advise separately)

Our U7 to U11 Colts' training sessions will continue to be held on Fridays, with Mark Tennant and Sports Nut in charge of coaching. Our U12s to U15s will again train on Mondays and Saturday mornings, this year under the coaching of Future Legends. The U9s, U10s U11s, U12s and U15s will play in league matches (U15s will also play in the cup) on weekday evenings or Sunday mornings. Kerri McLeish will be coordinating all aspects of the Club's Colts section. The membership forms for Colts will be issued separately; the enclosed membership form is not valid for Colts' membership.

We are currently seeking a new Membership Secretary, so in the meantime please send all subscriptions and donations to me at:-

This year's player's subs will be £50. We need this paid please before the season starts, i.e. before the end of April. It is important for the club's finances and we will be charging higher match fees for anyone to play, before their subs are paid. The subs will be pro rata for anyone joining mid season. Match fees will remain at £10 for seniors playing their first game of any given weekend per game (£20 will be charged to those who have not paid their membership fees) or £5 for colts, students, unemployed and seniors playing their second game of any given weekend. There is no match fee for colts, students, or unemployed playing their second game of any given weekend.

If anyone knows of any potential new members who would like to play for KGCC in 2016 please introduce them to one of the senior team captains who will give them application details. We also have vacancies for a Clubhouse Manager and Welfare Officer. Please contact me if you/another are interested.

For me, winning is important, but the way we play the game is more important. Let's play hard but always in a fair and courteous manner. Let's celebrate our victories and congratulate our victors when we lose. Above all, let's play with smiles on our faces and we will perform to the best of our ability and enjoy it. No-one can ask for more.

Let's encourage everyone and make all our visitors, spectators and supporters welcome at our club at all times.

Let's all have a great Summer together.

Yours sincerely,

Julian Coppock

Hon. Chairman
